FYI – I did let Ken's SA know to let Ken know that Dennis would be on the line (assuming Dennis does show up since he is invited), since I suspect it was a R10 person rather than Ken himself who arranged for Dennis to be invited (Ken's SA also thinks that is more likely than Ken having arranged it).

Romell,

Thanks. I really appreciate the heads-up. It will make a huge difference in how we present this briefing. The idea was to get Ken up to speed to the point where he could actually have a fully informed discussion with Dennis McLerran and their NOAA counterpart—and if needed, to brief it up to the Administrator. Dennis has already had one briefing, Ex. 5 - Deliberative and Dennis will have a follow-up briefing just a few hours before we are scheduled to brief Ken.

Fun times.

Don

Don:

I told Lynda this when she called me earlier today, but I thought you should know: Dennis McLerran (and Steve Neugeboren) are actually invited to the OR CZARA briefing on the 11<sup>th</sup>. I am telling you since I know you did not put Dennis down on the list of people to invite – I am guessing one of the R10 folks you did put down arranged to have Dennis on the call, but that is just a guess. I suppose it could have been Ken who arranged it, too.

I thought it was a good idea for you to know before you went into the meeting.
